

## Prophecy to River of Life Church

Cindy Jacobs      26th September 2010

The Lord would say, 'Enlarge the place of your tent for I am going to give you properties around this church building. You are not to move to another place but I am going to expand.' For the Lord would say, 'I am going to give the anointing of the double in this House and I am going to double your congregation,' says the Lord.

And the Lord says to you, 'I am going to build a training centre.' God says, 'I am going to even give you some of these apartments around here and you are going to be able to buy some of these apartments so that when you bring people in you are going to be able to house these people,' says the Lord. And the Lord says, 'It will be curriculum written. There will be training written. They are going to come in and out, in and out,' says God. 'You will establish an Apostolic Training Centre,' says the Lord. 'And you will have a School of the Prophets and I am going to rise up a generation of prophets says the Lord.'

And the Lord says, 'There will be a great move among the children in this House. I am coming to visit the children with signs, wonders and miracles,' says the Lord, 'for I am putting a Samuel anointing upon the three-year-olds, four-year-olds and five-year-olds,' says the Lord, 'and I am going to anoint them with the word of the Lord.' Amen.
