

# Lance Wallnau Prophecy

Sunday 26<sup>th</sup> September 2011 – For Ps. Royree & Dave Jensen @ ROL

---

So here's the word of the Lord that I've got for you...

When I saw those seven instruments laid down now on the floor, and I looked at that, I said to myself "*Lord, it's probably no coincidence It is intentional that we've got seven tools on the floor.*" Because, Dave, the same way that you have been used by God to take the tools in your hands to build the House of God; God is going to give you fresh tools to go out into the mountains in order to build the House of God out of living stones that are going to come together to become a habitation for the Lord.

There are churches that are going to be planted in this new missionary movement. There are going to be churches designed for the purpose of liberating nations from the veil of darkness that is over them. There will be churches that will be gatherings in homes and gatherings in unique locations. Where those that are in government, and those that are in business, and those that are in arts are going to come together because they will have God in their midst. And you two, are called to be architects and shapers of living stones that come together to build the House of God. God's House is going to be at the top of mountains. Isaiah 2 says, "*It shall come to pass in the last days, says the Lord, that I will establish my House at the top of the mountains*".

And nations shall flow in, and say, "*Teach us your ways*". Because God is going to raise up rulers and authorities that will have stewardship over vast spheres of influence. Who will be disciplined, to be able to operate in the wisdom of God over that domain, so that hell will be blocked and heaven will be released. And other nations and dignitaries will come to them and say, "How do you do what you do?" And they are going to introduce you to them. Just tell them, "*This is how we do it*". Because the Spirit of the Lord is raising up new ambassadors.

Now would you stand up for a second? Because there's going to be, you are going to be able to go in like Joseph into Egypt. Where Joseph had a change of garment, and as he came before pharaoh he came in the raiment of an Egyptian. He shaved his face like an Egyptian. But he spoke as an oracle of Heaven. Because he was a Jewish prophet; prophesying a solution to an Egyptian problem, that fixed the situation for a heathen ruler.

The Lord says He is going to give you the ability to go before magistrates and kings and rulers and governors and influences. And you are going to go as a consultant. You are going to go with a unique new packaging. And when you go before them, from the business cards, to your attire, to your briefcase, you're going to use the tools that God gives you to shape and architect minds, and hearts, and ideas.

And the Lord's going to make you even an apostle of a different genre which is going to be an ambassador to nations. Going in and unleashing blueprints of heaven on how to solve the problems that will eradicate corruption in practical ways that will bring as you have seen with Uganda today. Bring biblical principles in without having to sound like a bible thumper when you pull it off. And the Lord says you are going to have Muslims that are going to be open to you. You are going to have those you are involved that are highly secular they are going to be open to you. You are going to be able to win their hearts and establish a fresh revelation of who Jesus is. Because when you share your testimony, while you do this, when you share your testimony of your own faith and your own journey with Jesus, you will hear them say, "*I never met a Christian like you before*". And that's the reason why the Lord says it must be in stealth before you unveil the wealth. Because they have never met Christians like you before, and when they meet you it will be a fresh encounter with the face of Jesus. It will redefine what Christianity is and it will cause them to be open to the Kingdom that they had rejected because the enemy poisoned the well before the church got there to purify it.

And so the Spirit of the Lord says He is going to use you in a unique capacity. There's an apron that you have, both of you have, almost like craftsman. And you are going to pull out this tool for this situation and that tool for that situation. And you will even be at the hub of a group of people that are all working with the same intelligence.

I see Singapore connected to Australia. Because the same strategies are going to work and you will be able to bring in all these other consultants from other countries. It's going to look as though you have this resource network of other consultants. But they are going to be other people with the same gifting you have got; who have apostolic authority to join with you to liberate systems, and peoples, and nations.

And so the Lord says He's doing a very, very, new thing here. But as you are faithful in doing this, you will be building His House. You will be modeling missionary work at a whole new level. This country that is on your heart right now is like a first fruits assignment for you. You've got to go in there and go in quickly because the Babylonian system is seeking to create a domino effect that will cause nations, and rulers, and economic systems to line up one way. But the Lord says He's got an infrastructure and a reserve of righteousness. It's like a righteous remnant globally. That can rise up in these spheres and once they hear and understand what the real battle is, they will be able to move quickly to stop the assault. And there is going to be a changing of the times says the Lord. So that the situation won't work to the disadvantage of the church but rather to the expansion of the Kingdom.

(Prayer...)

So Father we pray in Jesus name, even right now, for this crossing over into a whole new level of church planting. Gathering people together in these mountains and creating small, looks like the micro church, is as real as the mega church. And the micro church is going to be Daniel, Shadrach, Meshach, Abednego, their friends, invited over to privately come and meet with this couple. And those that you bring in with you that are going to be ambassadors of the Kingdom of Heaven and you will pray for them. You will teach them how to pray.

There will be miracles and stories of invasions and signs and wonders. You will be disciplining, royal dainties will be taught by you. And the Lord says that there are those like Naaman the Assyrian, there's that general who is going to be seeking healing. And God says He is going to do signs and wonders through you in these circles of elites that are going to confirm for them that there is a God in Israel. And then you will say to them that you simply need to administrate this in the fear of the Lord; you don't have to be foolish I am going to help you do this wisely. And the Lord says you will have a reputation of being the rabbi that Nicodemus can come to at night and enquire about what is happening in the Kingdom.

So Father, I thank you that you chose this couple, this House, these people, that this Australian mandate, this new House that has been built for His glory corresponds to a new House you are about to build for His glory. And around you are a lot of your seven mountain (7M) coaches, consultants and emerging teachers that will be able to go in to various spheres and serve, just as you are doing. Because the Lords says this will be a House that will teach nations how to teach nations. This will be a House that will show how to plant churches in places other people have never been able to penetrate. They will say, *"How did you do it?"* And you will say, *"We simply served the need that was there and allowed the Lord to reveal the face of Jesus at the right time"*.

Thank you Father for the upgrade, strategy, wisdom, grace, the tools that are necessary. And I commit to you and to this House, with my team present, that we will assist you with every resource, and acumen, and ability we have; so that you will lack nothing in terms of preparation to succeed. And in exchange, I ask that you would make us and our team the object of prayer; that we might be able to move quickly and skillfully with no hindrance in putting the tools together to give to the craftsman.

In the name of Jesus, Amen.
